WRAP UP

OpenFOAM® User Meeting 12 PFAU XI - Multiphysics and Coupling

Wednesday, March 15, 2016
Stadtbibliothek Linz

“Links”

- Salome tutorials should be linked to openfoamwiki.net
- József Nagy's youtube channel is perhaps the best way how to learn OpenFOAM.
- Add instructions how to record screencasts, i.e.,
<http://recordmydesktop.sourceforge.net/about.php>

“Feedback and Knowledge Exchange”

- Support the OpenFoam movement on stackexchange:
